Teachers are up for a tough challenge at Tough Mudder!!

Over 17 Staff members and Governors are doing the Tough Mudder challenge in May and are raising money for the School Association!

The challenge will be held on Saturday 19th May at Belvoir Castle. It involves a 5-mile run and 10 obstacles to tackle including climbing walls, crawling through mud and wading through muddy water.

If you would like to sponsor them then please visit the Just Giving link below:

Your community news and cause

You have helped William
Law School Association
raise £298.08

[See your backing history](#)

Have you signed up for your Co-op Membership Card yet?

We have managed to raise nearly £300 in just a month, just think what we can achieve in a year!

As you may know we have been lucky enough as a school to secure funding from the Co-op through their reward scheme. They give 1% of what you spend on own branded products to our cause, so this could be an amazing boost to our funds over the next 12 months.

MATCH FUNDING

Does anyone work for an organisation that would match fund our fundraising efforts?

If you think you can help then send us an email and we can follow that up with you
