Learning Living Loving Together

5th February 2019

Parent/Carer
Year 6

Dear Parent/Carer

We do try and think outside of the box to give our children every advantage in school. I am asking you to be very open-minded about my proposal. Other schools in the country are already doing it. Our dedicated staff would be willing to try it and they are the ones who suggested it.

SATs are taking place on Monday, 13th May 2019 to Thursday, 16th May 2019.

Currently on a Monday morning some children in Year 6 are sluggish and take some livening up. They have been on their electronic devices and sometimes haven't been outside all weekend. They do not perform their best on a Monday morning.

For one week only...

If school started on Sunday, 12th May 2019, we could get the children fired up, revise, refresh and prepare them for the next day. The school day would be normal hours i.e. 8.50am – 3.15pm. We would expect the children to wear school uniform and bring a packed lunch. Then on Sunday evening, they would go to bed as if it was a Monday evening (nice and early) and then they could perform at their best on Monday, 13th May 2019.

The Year 6's week would therefore be from Sunday, 12th May 2019 to Thursday, 16th May 2019. There would be no school planned for the Year 6's on Friday, 17th May 2019, to give them the opportunity of having a well-deserved long weekend. However if you would struggle with childcare because of this, we would accommodate the children in school as usual.

This opportunity could give your child the boost they need to give their best for SATs week.

The staff are prepared to work on a Sunday to make this work.

Church would have the main hall and some classrooms for their Sunday worship and we would have to be extra quiet while the services were going on.

Any child not able to come in on Sunday, 12th May 2019 **will need** to come into school on Friday, 17th May 2019.

If your child normally attends The Hive, Out of School Club on a Friday the fees will be credited back to your account for that day.

Further details will follow.

Please complete and return the proforma below.

Yours sincerely
