

School Council Agenda 8.2.19

1. Welcome

Welcomed everyone to the meeting, including Mrs Crossan, who was coming to speak about Fairtrade

2. Fairtrade

Mrs Crossan went through a Fairtrade policy discussing what we should buy as a school and how we support the Fairtrade cause. She asked whether the school council could conduct an audit to show the work that we have been doing over the years on Fairtrade. The school council agreed to support the audit and sign the policy. They will complete the survey in classrooms after half-term.

3. School Council Improvements

- Dining Hall standards and rules

Discussed that manners of the week were back and working well. The school council felt that the midday supervisors are stricter now and things are improving.

Charlotte thought it would be a good idea for assembly to show photographs of good and bad examples of the dining hall and what the pupils of the school would prefer.

Next week, we shall meet to discuss the judging of the table signage competition. Discuss the way forwards in Lunchtime Managers and produce a job description.

We watched a video from another school to show an example of what a good one could look like.
