

## School Council Agenda/Minutes 28.03.19

### 1. Welcome

### 2. School Dinner Project Competition

The winners have been announced and the cards are being made to go on the tables in the hall. After Easter Mr Smith will get a group of children to do something in assembly so all pupils know what is expected during the hall.

### 3. School Dinner Project Video

Video looks great and we like the happy and sad faces on the screen. Can we add more description to the video and possibly music.

### 4. Fair Trade Questionnaires

Ask your teacher for time to ask pupils for their responses. Children vote on each of the options and count how many responses for each.

### 5. New Gym Equipment

This is going well and each class has had a chance to go on it. All classes can go on it now at any time.

### 6. Garden House Project

All cards have been sent to the Garden House project. These are now being distributed to the homeless to raise their spirits.
