

## **Our Vision**

Jesus taught us to be like him as He is The Way, the Truth and the Life (John 14 v6)

At William Law we commit to  
“**Learning, Living and Loving Together**”.

We want everyone to enjoy school and ‘skip to school’.  
We want everyone to respect and love one another living together and therefore understanding a Christian way of life

**We want every child and adult to have a good mental well-being.**

**We define mental well-being as children and young people’s happiness, life satisfaction and positive functioning.**
