The Romans spoke and wrote in Latin and many of our words are based on Latin words. ➤ The Calendar The calendar we use today is more than 2,000 years old. It was started by Julius Caesar, a Roman ruler. ➤ Laws and a legal system The laws and ways we determine what to do with someone who is accused of breaking a law came originally from the Roman Empire. ➤ The Census The Roman Empire began the practice of taking a census, or a 'count,' of all the people within its boundaries every so often. Today, many countries like ours take a census every 10 years. The Roman arch was the foundation of Rome's architectural mastery and massive expanse of building projects across the ancient world.
