

PE & Sport Expenditure and Impact 2020/21

Expenditure	Total amount spent	Purpose of expenditure	Impact on PE & sport
SOKE partnership with secondary school (Arthur Mellows Village College)	£3,440	To work in partnership with a local secondary school, providing CPD opportunities, sport competitions and advice/support with the provision of PE in school.	Partnership between Arthur Mellows and William Law has continued over the 20/21 academic year. When appropriate to do so, Arthur Mellows have visited school with KS3/KS4 sports leaders and held events on the school premises (outdoor events such as cricket and cross country). Selected Bronze Sports Ambassadors received training from AMVC staff virtually. Sports leaders (21/22) selected for training from Arthur Mellows staff.
Sports equipment – Bishops Sport and Leisure	£2,268.95	To provide all children with access to high quality sporting equipment. All children will be able to engage in a wider range of sports (including handball and mini-golf). The ordering process will also be completed by sports leaders, which will give them greater responsibility and ownership.	PE shed stocked up with relevant equipment for PE lessons and out of school clubs. This has been done to ensure that all children have appropriate equipment of their own for the year 20/21 and beyond.
Sports leader clothing	£150	25x sports leader tshirts for 21/22	To give pupils pride of their PE role and responsibility in school.
Staff sports clothing	£291.67	To ensure that all teaching staff across school have appropriate William Law sportswear for PE lessons	All teachers in school who required a new polo shirt now have one (new staff and replacements). Children are now able to see their teachers wearing school PE uniform for their PE lessons.
Lunchtime equipment	£50	To provide children with a range of sporting equipment to use at lunchtime (separate from the PE lesson curriculum).	All children have regular access to a wide range of non-traditional sports at lunchtime The lunch-time staff are able to hold Mini-competitions to encourage pupils to experience healthy competition.

PE & Sport Expenditure and Impact 2020/21

<p>Teacher wages (for PE subject leader) Delivering PE lessons across school between dates of 01.09.20-11.11.20 and 19.04.21-22.07.21</p> <p>Time to prepare PE subject story and write PE & Sport Expenditure and Impact report</p>	<p>£19,420.25</p>	<p>To enable children to receive quality PE lessons that cover all objectives in the National Curriculum. To ensure high quality PE is being delivered throughout school and to gather opinions from both students and staff.</p> <p>To enable staff to work with the PE subject leader to observe and team teach in these lessons.</p> <p>To create a vision for PE going forward and to ensure that Sports Premium funding is being spent effectively.</p>	<p>Lead has delivered PE lessons across whole school between Year 1 and Year 6. PE lead has developed and used a skills progression document to ensure full coverage of skills and objectives in the National Curriculum for PE</p> <p>Lead was able to gain first-hand feedback from children about PE lessons and how they are making and demonstrating progress.</p> <p>All feedback from children positive for these lessons. Children have developed a bank of PE-specific vocabulary to use in lessons throughout school.</p> <p>Data gathered from students indicated that PE has a good profile within school and is popular. Staff indicated they require some guidance in delivery of engaging PE lessons.</p> <p>Vision for PE amended and posted on school website. Expenditure and Impact report drafted and finalised with all available funding spent for 2020/21 academic year.</p> <p>From teaching all PE areas this year, subject lead has been able to ensure that all lessons have consistent structure and sequence including warm up, teach, practice and apply. Observations of other members of staff indicate that this has been adopted and are modelling skills and can differentiate the skills learning.</p>
<p><u>Swimming</u> – due to current restrictions on transports and maintaining school bubbles during the COVID pandemic, children currently in Year 6 have not had any extra tuition in swimming through school since their swimming in Year 4. This means that the percentage of Year 6 that can swim 25m stands at 56%, where a figure of 76% of the cohort were able to make improvements on their distance swam due to lessons provided through school.</p>			

Total spend: £25,620.87
