Beautiful FUNDRAISING
CHRISTMAS PRODUCTS
FROM CHILDREN'S Artwork

Dear Parents/Guardians/Carers,

School Association are very happy to introduce to you Xmas4schools. Xmas4schools is a fantastic company that produce beautiful fundraising Christmas products from your children's artwork.

Over the next couple of days your children will be drawing and designing their artwork at school. Once this is completed this will be sent home with your child with a form asking for your contact details and your child's name, ensuring all spellings are correct. These will be sent to you by the 15th October.

Forms and artwork then will need to be returned to school by **20th October**. This will then be sent to Xmas4schools who will upload your child's artwork to an online portal. You will then receive an email and text with your order code and a link to their online ordering website, enter your code to login, place your order and make payment. Deliveries will be made back to school where the School Association will distribute to you. This date will be confirmed once we know the quantity of orders placed. Unfortunately any artwork returned AFTER 20th October will not be available to order.

The great thing is that **£1.00 from each product sale will go straight back to the School Association!**, what an amazing fundraising opportunity, whilst doing some Christmas shopping for family and friends.
