4th January 2022

Dear Parents/Carers,

I hope that you have had a wonderful Christmas and a great start to the New Year. I hope that those of you that have had a disrupted holiday break due to Covid have still had some opportunity to enjoy time with your family.

We look forward to welcoming the children back into school tomorrow. School is open for all children to return, unless they are ill or self-isolating due to Covid. Considering the challenges that Covid is or might possibly provide over the coming term, I wanted to take this opportunity to inform you of some of the temporary measures and requests from the school. The temporary measures are being implemented to reduce the impact on face-to-face education.

Firstly, may I request that all parents please wear a face covering on drop off and collection of their children. This applies to both school and at The Hive. This is to ensure that the risk of transmission is reduced further between adults at the school gates and on the playground when collecting your child. Please do adhere to social distancing wherever possible.

If we need to meet with parents to discuss any matters relating to your child, these meetings will be virtual. In rare circumstances and where it is safe to do so, we might still invite you in for a meeting, but a LFD test must be conducted before entering the school and a face covering must be worn.

Any active cases of Covid within your child/ren's class will be communicated to you. In the communication we will request that you conduct a LFD test on your child daily for 7 days. This will help detect any asymptomatic cases of Covid and limit the disruption to your child's education. This is within the national guidance for close contacts. If your child tests positive for Covid, please do email the school inbox using the following email address covidpositive@williamlaw.peterborough.sch.uk.

If your child is symptomatic for Covid, then you should book a PCR test and they should self-isolate until a negative test is received. School will give further guidance on self-isolating once we have a confirmed PCR result sent to us.

William Law CE Primary School (a limited company) is registered in England and Wales as an Academy
Company Registration No: 09060417
Registered Office Address: Twelvetree Avenue, Werrington, Peterborough, PE4 5DT

To further limit the spread within school, children will eat their lunch in the classroom and assemblies will now be virtual. Children will still be able to attend clubs and will still mix outdoors at playtime and lunchtime because the risk of transmission remains low outdoors.

We hope that these extra measures support us to contain and limit the spread of Covid within the school; ensuring that face-to-face education is not disrupted in line with national guidance. Thank you for your continued support throughout the pandemic.

Yours faithfully

A handwritten signature in black ink, appearing to read 'D. E. Smith'. The signature is written in a cursive style with a large, stylized 'S' at the end.
