

The Hive Out Of School Club

Spring Newsletter

Mobile: 07522 987068

Email: osc@williamlaw.peterborough.sch.uk

Reminders to parents:

Please can you contact the school office or the OSC directly either by phone or email to let us know if your child/children is **not** attending the club.

Please DO NOT give the gate code to your children.

The half term is now upon us (where does the time go)

At the Hive we have been very busy with our jungle theme, the children have created some fabulous pieces of work, from creating jungle animals out of clay, sewing their own jungle puppets, baking jungle cookies, taking part in jungle quizzes, riddles and word searches and even creating a rain forest. They have all worked very hard and it's been great fun.

When we return after the half term we are concentrating on a **Spring theme**. The children have come up with some lovely ideas as to what they would like to do. We will be making bird feeders and researching different kinds of birds that visit us, planting seeds and looking after them so they grow and monitor the changes. We will create a bug and insect picture collage, sewing your own daffodil flower or small mammals such as hedgehogs.

The children will take part in bug hunts and creating a bug hotel. Our daily quiz will be centred around nature, bugs, insects and spring related things. Ladybird biscuits and dragonfly cupcakes are also on the menu.

This should keep us very busy over the next few weeks.

Every Friday we will be having a movie night with popcorn and hot chocolate. This week we will be watching "It's a Bug's Life". If your child doesn't attend on a Friday and would like to join in with the fun please book them in by emailing osc@williamlaw.peterborough.sch.uk!

Some of our films on movie nights are a PG rating, therefore we will need your permission for your child to view.

There will be lots of TWEETS!

Please take a look at our display boards with the work and photographs that the children have created.
