

## PE & Sport Expenditure and Impact 2020/21

Funding received for academic year 2020/21 - £21,600

Expenditure	Total amount spent	Purpose of expenditure	Impact on PE & sport
SOKE partnership with secondary school (Arthur Mellows Village College)	£3,440	To work in partnership with a local secondary school, providing CPD opportunities, sport competitions and advice/support with the provision of PE in school.	Partnership between Arthur Mellows and William Law has continued over the 20/21 academic year. When appropriate to do so, Arthur Mellows have visited school with KS3/KS4 sports leaders and held events on the school premises (outdoor events such as cricket and cross country). Selected Bronze Sports Ambassadors received training from AMVC staff virtually. Sports leaders (21/22) selected for training from Arthur Mellows staff.
Sports equipment – Bishops Sport and Leisure	£2,268.95	To provide all children with access to high quality sporting equipment. All children will be able to engage in a wider range of sports (including handball and mini-golf). The ordering process will also be completed by sports leaders, which will give them greater responsibility and ownership.	PE shed stocked up with relevant equipment for PE lessons and out of school clubs. This has been done to ensure that all children have appropriate equipment of their own for the year 20/21 and beyond.
Sports leader clothing	£150	25x sports leader tshirts for 21/22	To give pupils pride of their PE role and responsibility in school.
Staff sports clothing	£291.67	To ensure that all teaching staff across school have appropriate William Law sportswear for PE lessons	All teachers in school who required a new polo shirt now have one (new staff and replacements). Children are now able to see their teachers wearing school PE uniform for their PE lessons.

Lunchtime equipment	£50	To provide children with a range of sporting equipment to use at lunchtime (separate from the PE lesson curriculum).	All children have regular access to a wide range of non-traditional sports at lunchtime The lunch-time staff are able to hold Mini-competitions to encourage pupils to experience healthy competition.

Swimming – due to current restrictions on transports and maintaining school bubbles during the COVID pandemic, children currently in Year 6 have not had any extra tuition in swimming through school since their swimming in Year 4. This means that the percentage of Year 6 that can swim 25m stands at 56%, where a figure of 76% of the cohort were able to make improvements on their distance swam due to lessons provided through school.

No data is available due to COVID for:

- Use a range of strokes effectively
- Perform safe self rescue in difference water based situation

**Total spend: £25,620.87**
