

## APPENDIX 1

### Academy specific information

**Name of Academy:** William Law CE Primary School

**Name of Headteacher:** Miss A Lenton

**Name of Designated Safeguarding Lead (DSL):** Miss A Lenton

### Risk assessment

At William Law CE Primary School, we have assessed the level of risk of radicalisation and extremism to be medium. Our judgement has been made after discussion with the Prevent Officer / local Police, review of our IT systems and the national terror threat which is currently assessed as substantial.

### British / Fundamental Values

We reinforce these in the following way:

#### ***Democracy***

Pupils are actively encouraged to have a voice and share their views and opinions regularly. Our active Junior Leadership team is one such example. Representatives from Key Stage 2 share the views of each class, they meet regularly with a member of the Senior Leadership Team then take the ideas from the meeting back to all classes for discussion.

In addition, we have a Year 6 leadership team. Every Summer term the Head Boy and Girl are elected ready for when the children enter Year 6. They write a letter of application and are short listed. The short-listed applicants are then interviewed. Three candidates then pitch their election manifesto to the rest of Key Stage 2. A secret ballot ensues and the results are announced in a special session of Collective Worship.

Every pupil [also] contributes their ideas to the composition of their own class rules every year. This sets ground rules for classroom conduct and establishes the standards of behaviour pupils can expect from each other over the year ahead. All pupils also complete questionnaires, which provide them with the opportunity to share their views and suggest ways in which the School could be improved further. Pupils are also encouraged to give their views regularly about a variety of topics through pupil voice interviews conducted by staff and governors.

#### ***The Rule of Law***

The importance of law is consistently reinforced throughout the School day, as well as when dealing with behaviour and through School Collective worship. Pupils are taught the value and reasons behind laws, that they govern and protect us, the responsibilities that this involves and the

consequences when laws are broken. Our School code of conduct (William Law Way), which is referred to regularly and is consistently upheld, is a practical example of this.

### ***Individual Liberty***

Pupils are actively encouraged to make decisions and choices, knowing that they are in a safe and supportive environment. As a School, we educate and provide boundaries for pupils to take risks and make choices safely. Pupils are encouraged to know, understand and exercise their rights and personal freedoms and advised how to exercise these safely, for example through our Online Safety and PSHE lessons. Whether it be through choice of learning challenge, how they record their learning, participation in one of our extra-curricular clubs and opportunities, pupils are given the freedom to make choices and make decisions.

### ***Mutual Respect***

Mutual respect is at the heart of our values. Pupils learn that their behaviours have an effect on their own rights and those of others. All members of the School community are expected to treat each other with respect. (see Behaviour Policy).

### ***Tolerance of Those of Different Faiths and Beliefs***

William Law CE Primary School is situated in an area, which is culturally diverse; therefore, we place a great emphasis on promoting diversity with the pupils. RE and PSHE reinforce this. Each year the pupils explore one or two world faiths and/or worldviews alongside their learning about Christianity. By the time they leave us all pupils have learnt about the beliefs and practices of people of the following world faiths; Humanism, Judaism, Sikhism, Hinduism, Buddhism, Islam and Christianity. Members of different faith groups are encouraged to share their knowledge to enhance learning within the School and visits to places of worship are integrated into the curriculum.

### **Curriculum**

The way in which the curriculum prevents pupils from becoming radicalised is through our well thought through PSHRE Curriculum, SMSC, RE and Worship.

### **Approaches**

At William Law CE Primary School:

- pupils are encouraged to adopt and live out our Christian Values of [honesty, respect, compassion, perseverance, trust, forgiveness, wisdom and hope. We believe that these complement the key British Values;
- pupils are helped to understand the importance of democracy and freedom of speech, through Collective Worship and through the elected pupil leadership team;
- pupils are taught how to keep themselves safe, in School and when using the internet;
- pupils participate in local community events so that they appreciate and value their neighbours and friends who may not share their faith background;
- pupil's wellbeing, confidence and resilience are promoted through our planned curriculum and extra-curricular learning opportunities;

- pupils are supported in making good choices from a very young age, so they understand the impact and consequences of their actions on others.

## Internet Safety

### *Filtering and monitoring*

We also filter out social media, such as Tiktok. Searches and web addresses are monitored everyday through the Classroom Cloud System and the Safeguarding Team scrutinises these reports and alerts senior staff where there are concerns. The Safeguarding Team keeps an up to date log on MyConcern of incidents, actions taken and outcomes. Measures are taken to prevent further access when new sites that are unblocked are found.
