

IS MY CHILD TOO ILL TO ATTEND WILLIAM LAW?

William Law CE Primary School
Learning, Living and Loving Together

CHILDREN CAN USUALLY ATTEND SCHOOL

- Mild coughs and colds (without fever)
- Runny nose
- Sore throat if otherwise well
- Conjunctivitis (if not very unwell)
- Cold sores
- Head lice and nits
- Hand, foot and mouth disease if well enough
- Threadworms
- Ringworm once treatment starts

KEEP YOUR CHILD AT HOME

- High temperature (fever)
- Vomiting or diarrhoea
- Chickenpox
- Impetigo
- Measles
- Scarlet fever
- COVID-19 symptoms with fever or feeling unwell
- Ear infection with fever or severe earache

HELPING TO KEEP EVERYONE WELL

Wash hands regularly
with soap and water for at least 20 seconds.

Catch it, bin it, kill it
Use tissues to catch coughs and sneezes, bin them straight away and wash your hands.

Don't share things
Avoid sharing cups, bottles, towels or utensils.

Keep spaces well ventilated
Fresh air helps reduce the spread of germs.

HANDWASHING

Wash hands regularly to stop germs spreading.

TEMPERATURE CHECK

A high temperature means your child should stay at home.

RECOVER AT HOME

Rest, fluids and care help your child get better.

CATCH IT, BIN IT, KILL IT

Catch coughs and sneezes, bin the tissue and wash hands.

DRINK PLenty

Drink water throughout the day to stay healthy.

FRESH AIR

Let in fresh air to keep germs down.

HAPPY SCHOOL ATTENDANCE

Attend school whenever well enough to learn, play and thrive!

HEALTHY HABITS

Help children stay well and ready to learn

Wash hands regularly

Catch it, Bin it, Kill it

Drink water

Get plenty of sleep

Keep rooms ventilated

Attend school whenever well enough

ATTENDANCE MATTERS

Children should attend school whenever they are well enough to do so.
Good attendance supports:

LEARNING

WELLBEING

FRIENDSHIPS

ACHIEVEMENT

Based on NHS guidance, many minor illnesses do not require absence from school.
