Important Reminder – Birthdays and Food in School

We understand that children enjoy celebrating their birthdays with their friends at school. However, we kindly ask that parents/carers do not send sweets, chocolates, cakes or other food items into school to share with classmates.
This is due to the allergies and dietary requirements of some of our children, and we must ensure that all pupils remain safe.
We appreciate that this may be part of your child's birthday celebrations, but we ask that you help us by keeping birthday treats at home.
Thank you for your understanding and cooperation in helping us keep all children safe.

Odd Socks Day- Anti-Bullying Week- Monday 16th November

On Monday 16th November until Friday 20th November it is Anti-Bullying week. The theme this year is Break the Silence. To support this event pupils are invited to come into school in odd socks. There is no donation for this event, but we are using this to raise awareness around bullying within school and to further educate the children.

Welcome to William Law Baxter

Meet Baxter – Our New School Dog! 🐾

We are delighted to announce that, following several months of preparation and training with The Dog Mentor Charity, we will soon be welcoming Baxter as our school dog at William Law CE Primary School!

The Dog Mentor Programme harnesses the special bond between humans and animals to provide children with positive experiences that can support their emotional wellbeing, confidence, social development, engagement and learning. Over the past ten years, the programme has demonstrated positive impacts in areas including self-esteem, behaviour, peer relationships and academic achievement.

Baxter is a lovely 2½-year-old Lakeland Terrier cross who lives with a member of our school staff. He has a gentle, calm and playful temperament and is considered a low-shedding, hypoallergenic-type breed. Since May, Baxter has been working hard with his training and gradually becoming familiar with the sights, sounds and routines of school life. We are pleased to share that he has now successfully completed his training and is ready to begin working with our pupils through carefully planned and supervised sessions.

At William Law, we want every child to feel happy, safe and ready to learn. We hope Baxter will help us to further develop a culture of kindness, empathy, confidence and belonging across our school community.

Baxter's safety and the wellbeing of our pupils will always be our priority. Trained members of staff will supervise all interactions with children, and Baxter will remain on a lead and wear a harness whenever he is moving around the school site.

We are very excited to begin this new chapter at William Law and look forward to sharing updates about Baxter's adventures as our newest member of the school community!

Please see below a link for parents and carers to provide consent for their child to have direct contact with Baxter during planned activities. We will also ensure that individual needs and any concerns are considered carefully so that all children feel safe and supported.

Christmas Shoebox Appeal 2026

We are so pleased to be able to support this charity again this year, it is a very popular and well supported appeal and in previous years the organisation collected many filled shoeboxes from our school hall.

The children have had an assembly regarding the shoebox appeal and understand what this is all about.. More information is also available on their website www.operationchristmaschild.org.uk

Filled shoeboxes can be taken to your child's classroom between Monday 10th and Friday 14th November 2025.

If anyone has any spare empty shoeboxes that other people could use, please bring them to school. If you need a shoebox, please ask your child to come and collect one from my classroom.

If you require a leaflet these are available at School Reception. Please ensure boxes are returned by Friday 13th November at the latest.
